## PROFILE

Dedicated Video Specialist with 3 years of experience in capturing and editing visual content. Proficient in handling professional cameras and post-production software to create clean, engaging videos. Committed to continuous learning and improving technical skills to deliver better visual stories for every project.

## WORK EXPERIENCE

### EDUCATION

- 2018 - 2023  
HUTECH UNIVERSITY  
• Information Technology

### SKILLS

- Davinci Resolve
- Premiere Pro
- Capcut Pro
- Setup Studio

#### Forest Music Group | Videographer & Editor

Produced and post-processed high-quality video content focused on Jazz and "Chill" music genres in nature settings. Advanced skills in professional cinematography, specialized color grading, and sophisticated framing compositions. Managed end-to-end workflows from on-site filming to final artistic color correction.

#### 61 Plus | Short-form Video Creator

Produced and edited creative short-form videos for TikTok, specializing in comedy-themed cosmetic advertisements. Optimized video content for social media trends to drive high audience engagement and brand visibility.

#### Fenik Studio (Apprenticeship/Junior) | Videographer & Assistant

Assisted in filming and editing for weddings, events, and commercial projects. Responsible for studio setup, including professional lighting arrangements and technical support for livestreaming sessions.
